Hi David:

Please be advised that at this point we have still not received any information from the board chair. Also, I only know what I was told and that being the Mr. Brackett would be out of town on vacation this week.

Since I have not yet heard about the remaining part of my Right-to-Know request of 20 June concerning non-meeting arrangements, I would appreciate you giving me an update. At this point, given it has been over a full month, the failure to satisfy this request in full is a clear and knowing violation of RSA 91-A by the board, and as you indicated in your letter of 7 July, specifically by Chairman Henry Brackett. Please let me know whether you have still not received any documents for review from Mr. Brackett. Also, as I noticed at last night's board meeting, please confirm that Mr. Brackett is out of town on vacation while this request is still pending his action.

Thank you again for your help.
