Re: Oyster River Cooperative School District – Right-to-Know Law Request

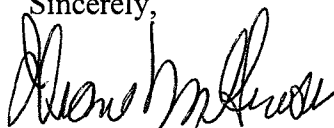

Dear Mr. Taylor:

We are attaching to this letter the documents from Henry Brackett that respond to your Right-to-Know Law requests for: (1) any records of discussions by administrators and/or Board members concerning Right-to-Know Law requests after March 1, 2011; and (2) all records of communications from January 1, 2011 concerning arrangements for non-meetings as defined by the Right-to-Know Law and any records of communications involving the search for the selection of an attorney involved in any such non-meetings.

As you will see, I redacted portions of the documents that are exempt from disclosure under the Right-to-Know Law. The portions redacted are exempt from disclosure under RSA 91-A:5, IV as confidential information, confidential attorney-client communications, information whose disclosure would constitute an invasion of privacy, information pertaining to internal personnel practices, and/or confidential personnel file information.

If you have any questions about the specific exemption that applies to a particular document, please let me know.

Sincerely,

Diane M. Gorrow
