Subject: Interim Superintendent

Hi Henry and Ann -

██████████ called me today as a courtesy, and to ask, "What the heck is going on in Oyster River?" ██████████ has apparently been in communication with you, Henry. ██████████ explained that the school board wants to know if ██████████ is interested in serving as your interim superintendent. ██████████ told me that ██████████ is too busy with ██████████ work in Washington, D.C. to take this job on, but ██████████ might be able to help the school board find an interim superintendent, provided that future meetings are posted and open to the public.

I understand that ██████████ has been invited to meet with Henry and perhaps other school board members tomorrow, 6/14, at the Durham Police Department. ██████████ asked if Henry is a reserve officer with the DPD. I responded that I do not believe Henry has a formal relationship with the local police department.
