Wendy,

Please post the News Release I have attached. We should replace the informational pull down on the web page for Interim Principal with " Search for Interim Superintendent "

Thank-you,

Henry

Not sure what you are referring to. I have posted the meeting notice and agenda for the special non public meeting for today. That is all that I know as I have not received any information to post from Jocelyn.

Subject: Joint Release Placed on Web Site and Information about Interim Search

Henry,

I want to inquire when Wendy will post the joint release about the separation agreement and the information about the interim search on the ORCSD web site.

This should be up as soon as possible in order to keep the public informed.

I would suggest the 'HS Principal Search' tab is replaced with 'Interim Superintendent Search' and in this spot list the information we discussed at the last board meeting (interview process, criteria, meeting dates, etc.). I believe Jocelyn should have submitted that information to Wendy. If she didn't, I will be happy to help.

Wendy...if you are already working on this, please let us know when it will be done. This is critical and should be posted as soon as possible.

Thanks,

Megan
