Wendy,

I am at MW going through emails for the RTK requests. I was planning on just forwarding them to you as I find them. Is that how you want me to go about it, or would it be easier for me to print them?

Subject: Interviews with Interim Superintendent

I have two candidates for the Interim Superintendent position coming in to the SAU Monday 6-20-11 starting at 10:00 AM for interviews. We need as many Board members in attendance. Sue and Danielle will be there for the interviews. The candidates resumes are attached.

These interviews are confidential and private.

If we could show up at 9:45 we could share some of the questions we would ask these individuals.

Thank-you

Henry
